

**Media Contact:**

**The Association of Academic Physiatrists (AAP)** is an organization of 2,800+ physiatry professionals who are dedicated to improving patient care by advancing the specialty through research and education. Our vision is a thriving global academic community leveraging mentorship, leadership and scholarship to maximize human function. Our mission is to empower academic physiatrists to advance to science of physical medicine and rehabilitation, educate leaders of the future, and champion physiatry to transform healthcare.

The ***American Journal of Physical Medicine and Rehabilitation (AJPM&R)*** is the official Journal of the AAP and the Canadian Association of PM&R (CAPM&R). *AJPM&R* has an impact factor (IF) of 3.412 and is ranked 16 out of 68 journals in Rehabilitation. Our blue journal focuses on the practice, research and educational aspects of physical medicine and rehabilitation. Monthly issues keep physiatrists up-to-date on the optimal functional restoration of patients with disabilities, physical treatment
